

Animal Communication for Harmony in the Home

A 2-part personalised programme (120 minutes in total) to guide and support you and your pet - a unique combination of communication, coaching, energy healing and meditation

1. **COMMUNICATION AND HEALING** (recorded on Zoom or via email transcript)

Helping to understand your pet's needs and point of view

- Identifying what your pet is experiencing physically, mentally, emotionally and spiritually, **so that you have more insight into their needs**
- Signaling if you need to consult your vet or holistic animal practitioner by providing insight into how your animal is feeling, **so that you can share this helpful information, and your animal can be more comfortable during a vet visit**
- Offering healing support if needed, **so that your pet has the best chance of feeling better and getting better**

2. **COACHING** (on Zoom)

Going deeper and clearing stress

- Live communication for understanding one another's perspective, **so that everyone will feel more confident and heard.**
- Sensitive help and guidance, **so that you feel more empowered and comforted – I hold the space for you and your pet**
- Meditation and grounding exercise specifically for you and your pet **so that you can relax and connect on another level**

Your investment for this 2-part programme: 150 Euros
